friendship blooms.*

Here is a quick and easy **Dependable Chicken Soup**© recipe (just for you and me!).

Ingredients:

- 1–10.75 oz. can Campbell's™ Chicken Noodle Soup
- 1–11 oz. can Campbell's™ Fiesta Nacho Cheese Soup
- 3/4 cup whipping cream, half and half or nondairy creamer
(more or less to thin down soup)
- 1/4 cup white wine (optional)

Method:

Stir together with kindness and heat when ready to eat.

Hint: Optional...add 1/2 cup of frozen baby peas or corn or both and heat soup until vegetables are defrosted and hot.

This recipe is like a dependable friend. Just add a dash of friendship, loyalty and love and take it to a special friend who is rare and hard to find.

Enjoy...
Take care,

Ursula K.
