

## White Chocolate Dip with Strawberries and Pineapple©

### Ingredients:

1 1/2 cups	white chocolate, chips or melting chocolate
1-4 oz. container	Yoplait™ Digestive Health Optibalance Yogurt
1 1/2 Tbsp.	Grand Marnier™
1/2 tsp.	orange, zest or 1 pkg. TSP™ orange zest

### Method:

In a double boiler or microwave, melt the chocolate. Add remaining ingredients and stir together with a spatula. Serve out of a bowl with fruit around.

Serve with fresh strawberries and pineapple cubes from can (drain on paper towel).

***Hint:** Leave in double boiler until serving time so the chocolate will stay hot.*

***Hint:** When cold the mixture firms up and you can use it as a spread on carrot/banana or cranberry/walnut bread.*
